No matter what service you provide a directory listing on our website can help to grow your business!

Let our audience know who you are and what you offer with unlimited text and photos; all for just \$50 a month. We'll include your phone number, website, address, and a map with driving directions to your location. Links directly to your Facebook page could even help you to gain more followers! And, this is going to get you another listing on Google!

Riverbender.com is already well-known for digital services, but our partnership with *Buzz Magazine* allows us the opportunity to provide affordable, print exposure to our clients as well.

We have recently added a Service Directory to *Buzz Magazine*. So when you sign up for the Enhanced Business Directory, you will also receive a full color print ad in the new Service Directory. *Act fast, these extremely affordable print ad spots won't last!*
