About us...

RiverBender.com has become the leading online news source for the River Bend and surrounding areas. The site was created to bring a renewed interest to all that the River Bend has to offer and to help revitalize the local economy. RiverBender.com promotes local businesses, charities, schools, and our families, as well as many other aspects of community life.

Our sister site, EdGlenToday.com, serves Edwardsville, Glen Carbon, and surrounding communities. Both sites offer local news, sports, weather, live and on-demand video, classifieds, autos, real estate, obituaries, a business directory, coupons and shopping, a community calendar of events, entertainment and so much more!

Our goal is to be **Your #1 Source for Everything Local.**

"WE'RE NOT JUST A WEBSITE! **WE'RE THE CLEAR
LEADER IN DIGITAL MARKETING** WITH OVER 400
