## Need one package that does it all?

This package and a relationship with Riverbender is a great place to start. Like a "sampler platter," it's a taste of everything we offer. And, it's designed to give your business great visibility using several platforms with large online audiences.

The package includes advertising on Riverbender.com, EdglenToday.com, and Extended Network. We'll also help you with your Website, SEO, Google and Bing directories, Facebook, Email Marketing, and other strategies to grow your business!

As a partner in this process, we ask you for a 12 month commitment, so that we both have the time necessary to work through each of the strategies it takes to succeed.
